PITAGORAS

Nový displej Pitagoras, najlacnejšia možnosť na vytvorenie jednoduchej ochrannej bariéry medzi vašimi výrobkami a zákazníkmi.

New Pitagoras display, the cheapest option to create a simple protection barrier between your products and customers.

ZEPELIN

Špeciálne navrhnuté tak, aby chránili výrobky a pôsobili ako ochranná bariéra pre zákazníka bez toho, aby sa znížila praktickosť práce pri pulte.

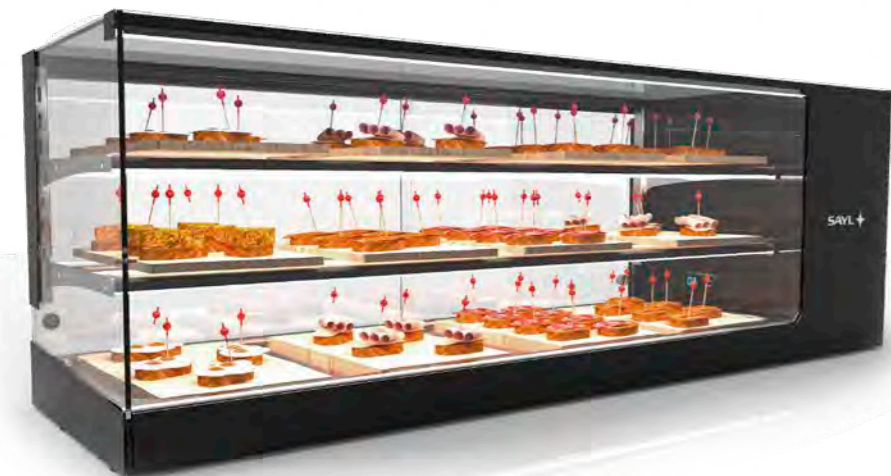

Specially designed to protect the products and act as a protective barrier with the customer without giving up the practicality of working at the counter.

LOGIC TRIPLE

Maximálna kapacita a flexibilita! S jednou alebo dvoma nastaviteľnými policami so zabudovaným osvetlením, nová Triple Logic je najuniverzálnejšia vitrína tapas na trhu!

Maximum capacity and flexibility! With one or two adjustable shelves with built-in lighting, the new Triple Logic is the most versatile tapas display case of the market!

VISION

Najkompletnejšia vitrína na trhu!
Úplne priehľadná, bez štruktúry, ktorá bráni vizualizácii produktu, s nastaviteľnými policami a s dvojitým osvetlením na každej polici.

*The most complete exhibitors on the market!
Completely transparent, without structure that prevents the visualization of the product, with adjustable shelves with double lighting on each one*

INTEGRAS GRAB&GO

Bez bariér pre samoobsluhu udržuje nový model Integras Grab & Go vaše výrobky na požadovanej teplote a bez dverí alebo prvkov, ktoré by mohli blokovať predaj.

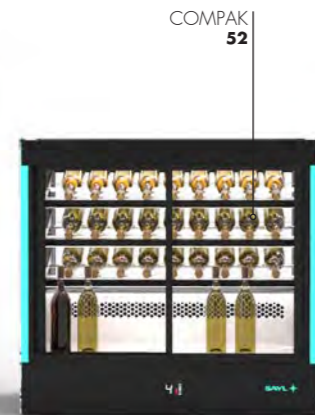

Without barriers for self-service, the new Integras Grab&Go keep your products at the desired temperature without doors or elements that could block sales.
